22 August 2018

Dear John,

**Environmental Impact Assessment (Forestry) (Scotland) Regulations
1999**

Halkshill and Blair Park - Afforestation and Forest Roads

The preparation of an Environmental Statement in connection with an application for consent under the Environmental Impact Assessment (Forestry) (Scotland) Regulations 1999, to create 501ha of new woodland was advertised in the Greenock Telegraph and the Largs & Millport News on the 21 March 2018 in accordance with Paragraph 13 of these Regulations.

Forestry Commission Scotland have now considered the application and the information provided in the Environmental Statement and have decided to give consent for the proposals subject to conditions detailed within Schedule 1 of the attached consent documents.

If you would like to appeal against the conditions detailed within the consent in addition to those required by regulation 18, you must appeal in writing to the Scottish Ministers within 28 days of receipt of this notice providing a copy of the application to which it relates, the decision of Forestry Commission Scotland and any other information you wish to provide.

Yours sincerely

Keith Wishart
