S7	Woodland recreation	<input type="checkbox"/>
S8	Developing community involvement	<input type="checkbox"/>

#### Restocking

R1	Producing well-designed productive woodland	<input type="checkbox"/>
R2	Restoring areas of native woodland	<input type="checkbox"/>
R3	Improving quality and setting of riparian habitat	<input type="checkbox"/>
R4	Improving urban or post-industrial areas	<input type="checkbox"/>
R5	Improving the diversity of farmed or crofted landscape	<input type="checkbox"/>
F1	Felling (not being carried out under an SFGS grant) – clearfelling	<input type="checkbox"/>
F2	Selective felling	<input type="checkbox"/>
F3	Continuous cover forestry	<input type="checkbox"/>
F4	Thinning	<input type="checkbox"/>

### 2 Supporting information

Give additional information to that provided in the SFGS/FP3b that will help describe the work that you intend to carry out. Include a justification for claiming the higher rates (90%) of grants that are available in special areas. See Note 3 in Section 9 of the SFGS Applicant's booklet.
